***Drawings***

1. The drawings were received on 10/11/2005. These drawings are accepted.

***REASON FOR ALLOWANCE***

2. The following is an examiner's statement of reasons for allowance: allowance of claims 1-10 is indicated because the prior art of record does not show or suggest a printed board having a thermistor for detecting the temperature of the semiconductor switching element, the thermistor being soldered to a leg portion of the semiconductor switching element or near to the leg portion thereof on the side of the soldering surface of the printed board as recited in claims 1-5; and the switching element is mounted to the printed board such that a body of the switching element is on the first side of the printed board and at least one leg portion extends through the printed board and is soldered to the second side of the printed board, wherein the thermistor is soldered to the at least one leg portion of the switching element or near to the at least one leg portion thereof exposed on the second side of the printed board as recited in claims 5-10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
